

Liberty Park Child Development Center
September 2011

Mission Statement

Liberty Park Child Development Center is a Christian outreach of the Presbytery of the Inland Northwest serving children and families in the community thorough quality education, child care and family services.

From the Executive Director...

Dear Parents,

As we begin another school year, I would like to take the time to once again thank you for sharing your children with us. They bring joy to our days! It is our privilege to provide care to your children and to serve your family.

We will be starting some new programs at the center this month. We will be providing ECEAP preschool in a morning and an afternoon session beginning the 12th of September. The morning session of ECEAP will be from 8:30 AM until 11:30 AM. The afternoon session of ECEAP will be from 12:15 PM until 3:05 PM. We will also be offering Christian Preschool in a morning session from 8:30 AM until 12:15 PM and preschool in an afternoon session without a religious focus from 1:30 PM until 4:15 PM. We will also continue to provide childcare to families from 6:30 AM until 6:00 PM Monday through Friday. Our before and after school programs for school age children will offer character building activities, crafts, oral reading and homework assistance.

The month of September is going to be a busy one, with several dates to remember at Liberty Park Child Development Center. There will be NO SCHOOL on Labor Day, September 5 and NO SCHOOL on Friday September 9th. Friday the 9th we will be closing the center for deep cleaning. We want to start the school year off fresh and clean. Another date to remember is our OPEN HOUSE from 6:00-7:00 PM on Wednesday, September 21st. Come in and meet your child's teachers and see their classrooms.

We are looking forward to a great school year. Please feel free to visit with me at anytime. Your concerns are mine as well.

Happy September!

Linda Platts
Director

From the Explorers and Pathfinders

Welcome to a great new school year! There are exciting changes happening, new friends, new teaching team, new schedules.

The preschool class will start this super September off with fun lessons in getting to know each other. We will tie our lessons in with learning about the wonderful creator who made the world and made us most special too.

The children will make many discoveries as we begin a new unit on apples. We will discuss the different colors of apples and ways apples can be prepared and eaten. We have made many new friends at school with whom they are learning to share, cooperate, work and play. The children will learn what friend is and activities friends can do together.

Thank you so much for choosing Liberty Park Child Development Center as your child's day time place to be! We are honored to have your children, your trust and your support. It's going to be a great school year!

God Bless You,
Miss Tess and Miss Hom

Hello, my name is Desmond Anderson and I will be the lead teacher for the school age program this year. I have fun activities planned. We will also be doing developmental and prevention programs such as Positive Action, Second Step and Life Skills. I have included a calendar with our daily activities. It will be my pleasure working with your children and we are looking forward to a great school year.

Mr. Desmond
